

# Have you attended a CSP South East Coast RN event before?

# What best describes you from the following:

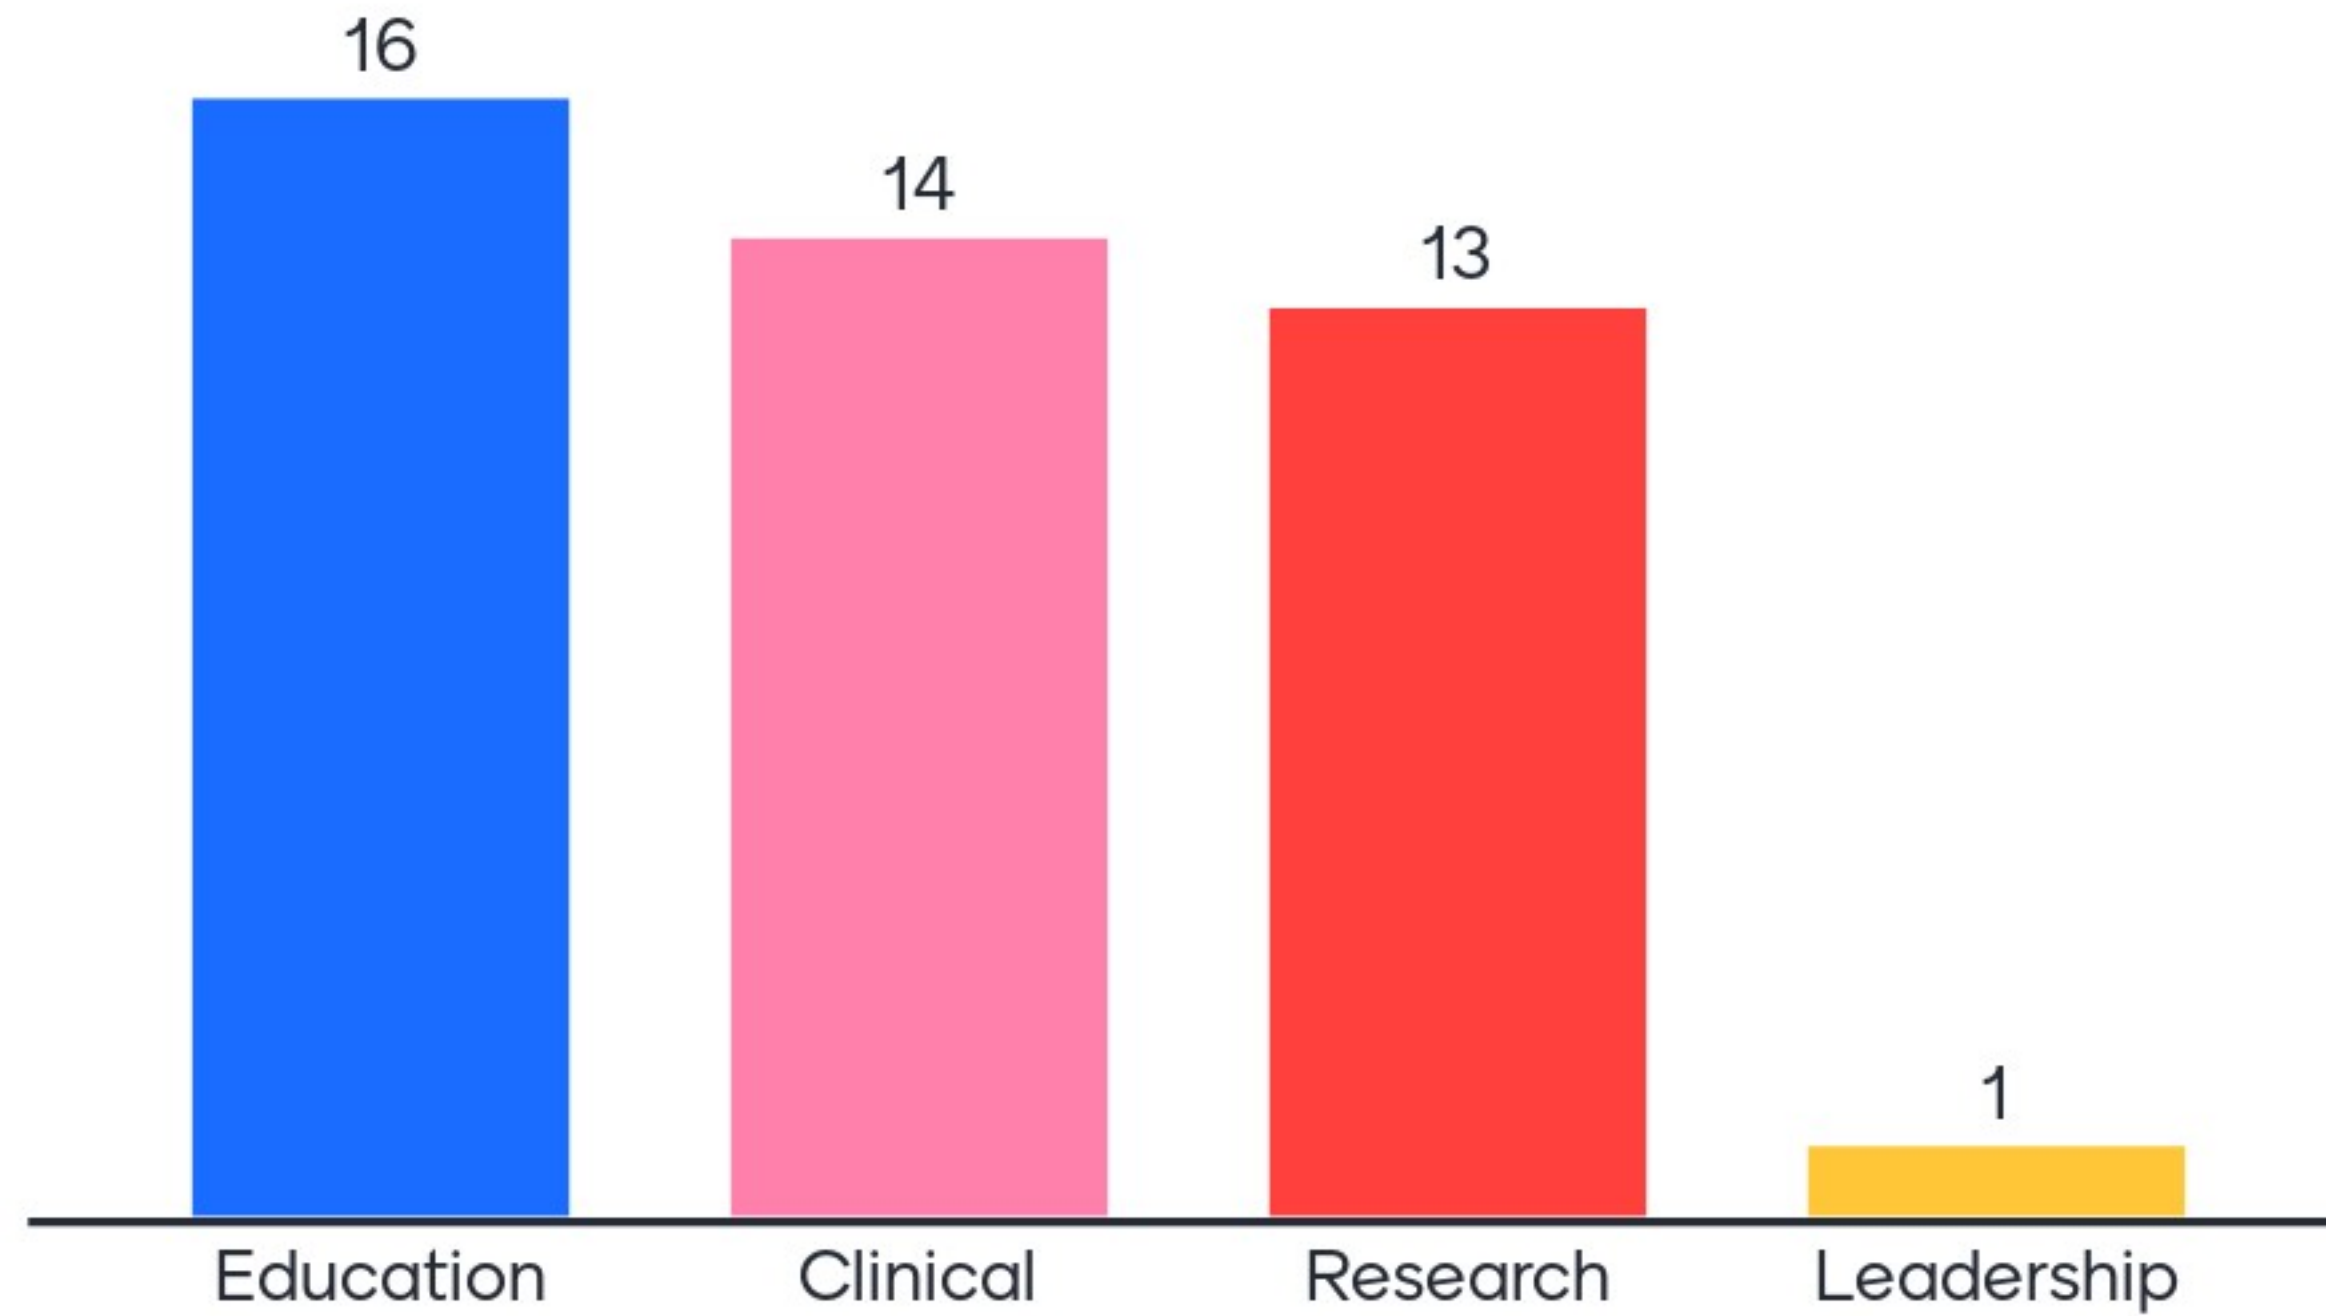

# How knowledgeable do you feel about each of the 4 pillars of professional practice?

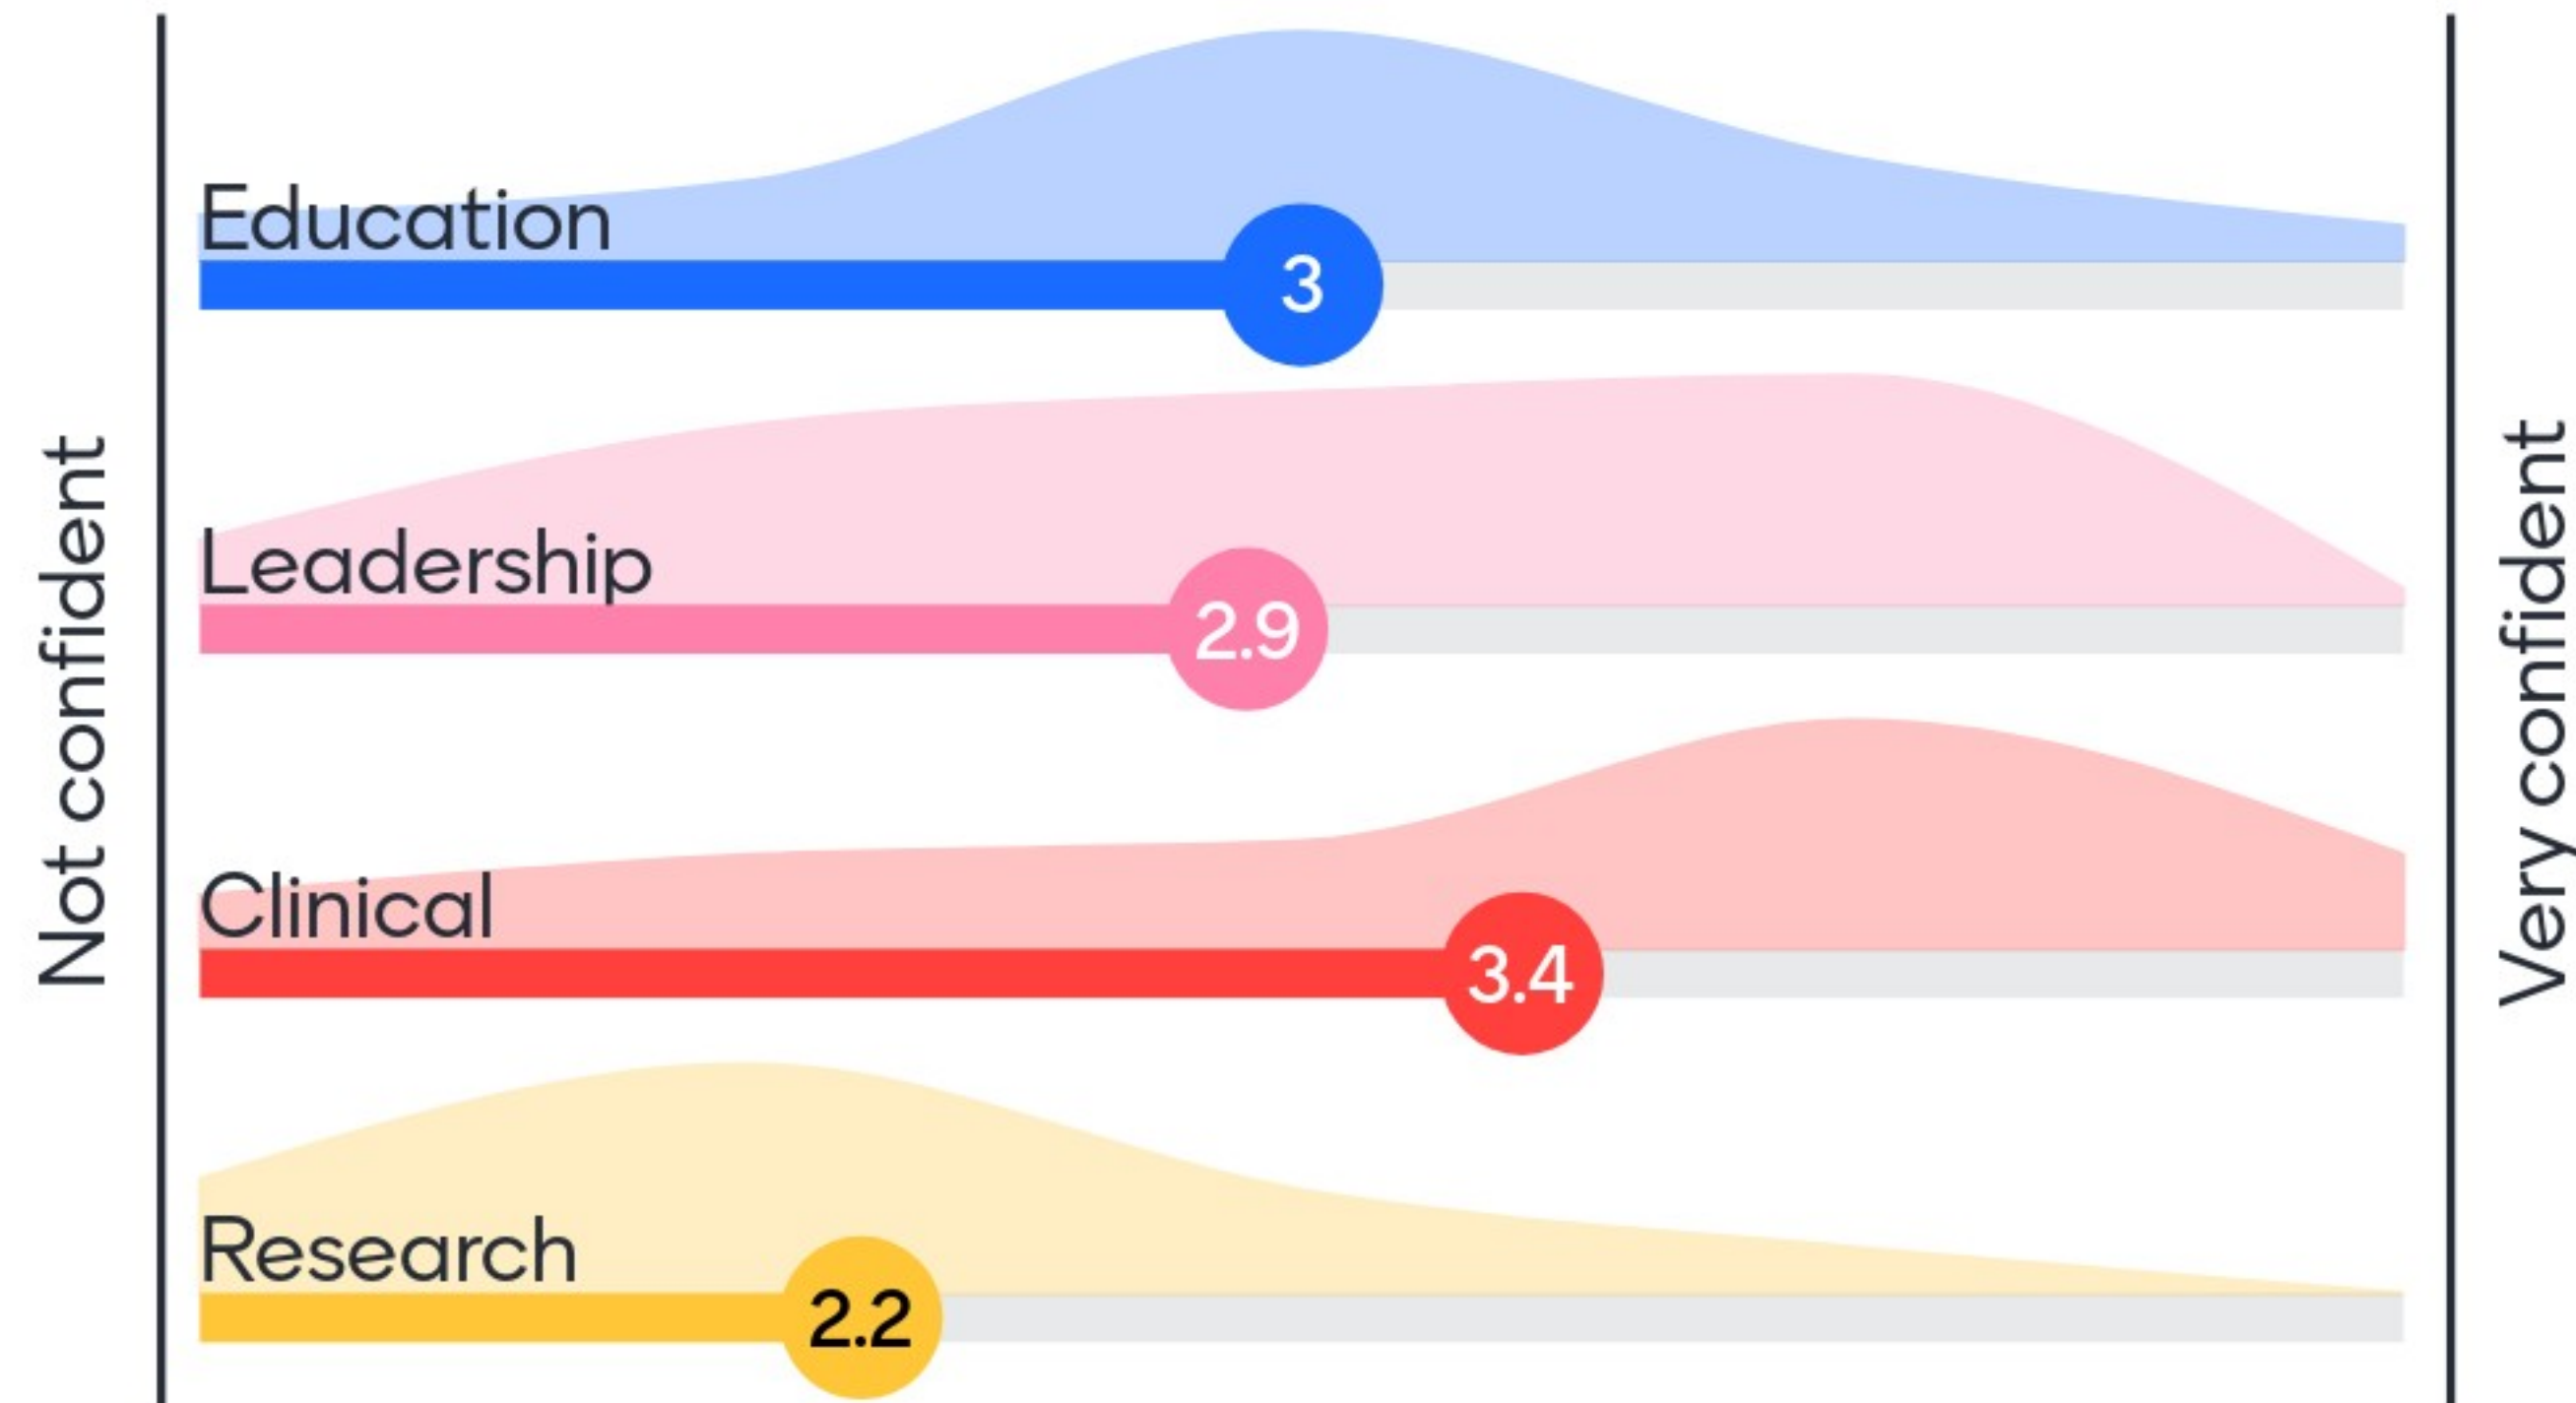

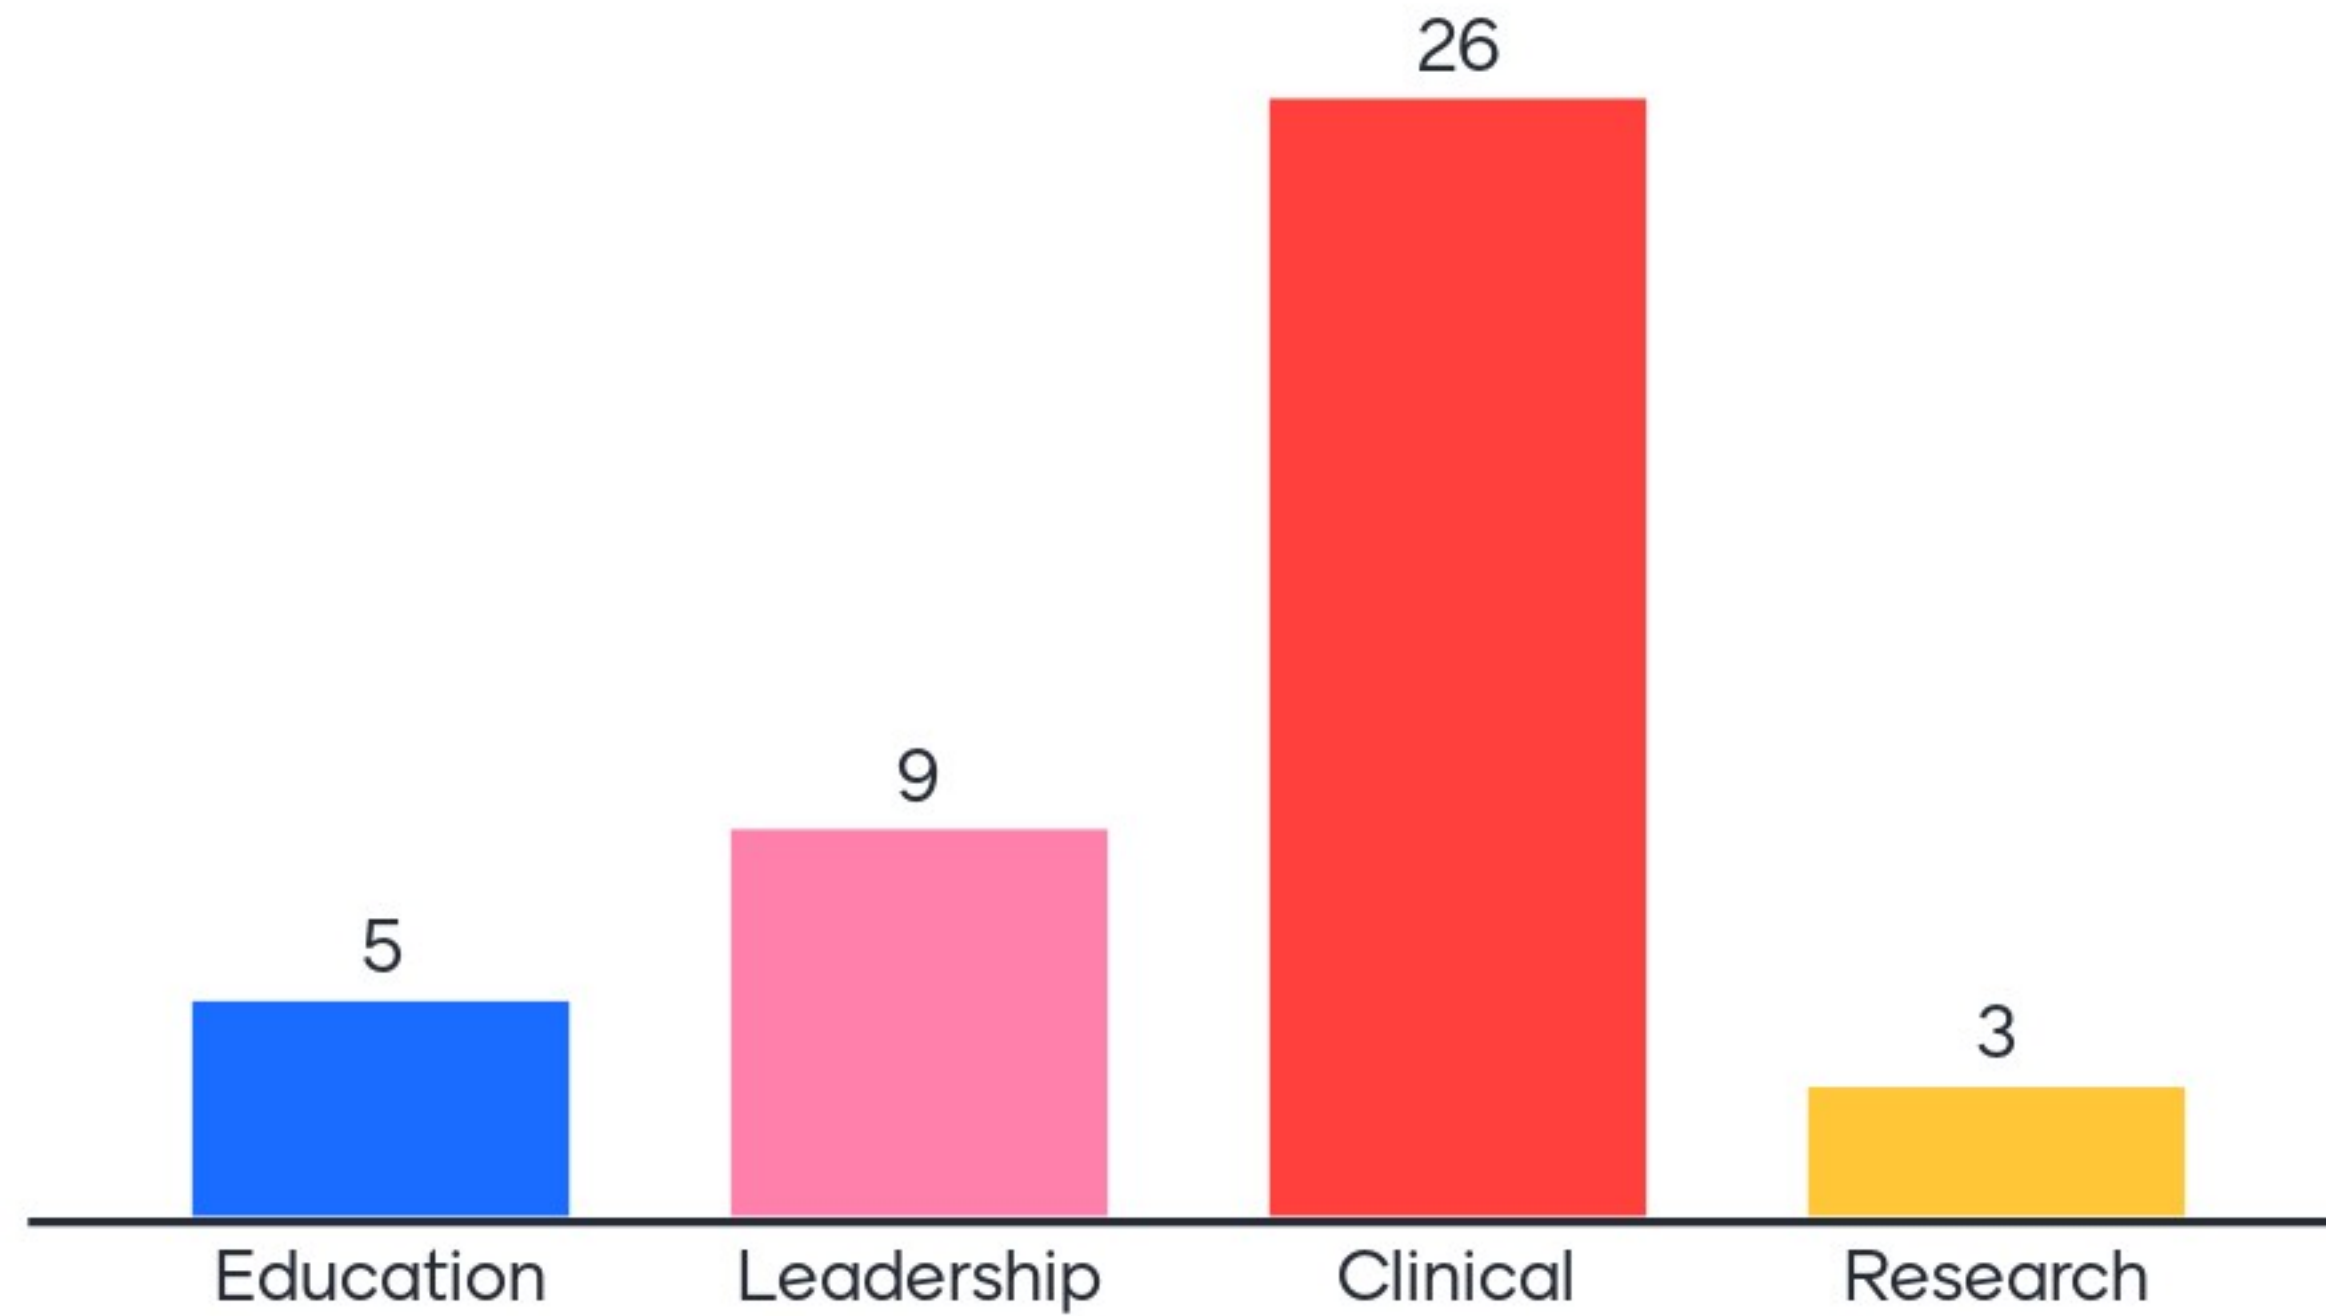

# If you could pick one pillar that you consider to be your strongest – which would it be?

# How confident are you applying each of the 4 pillars to your professional practice?

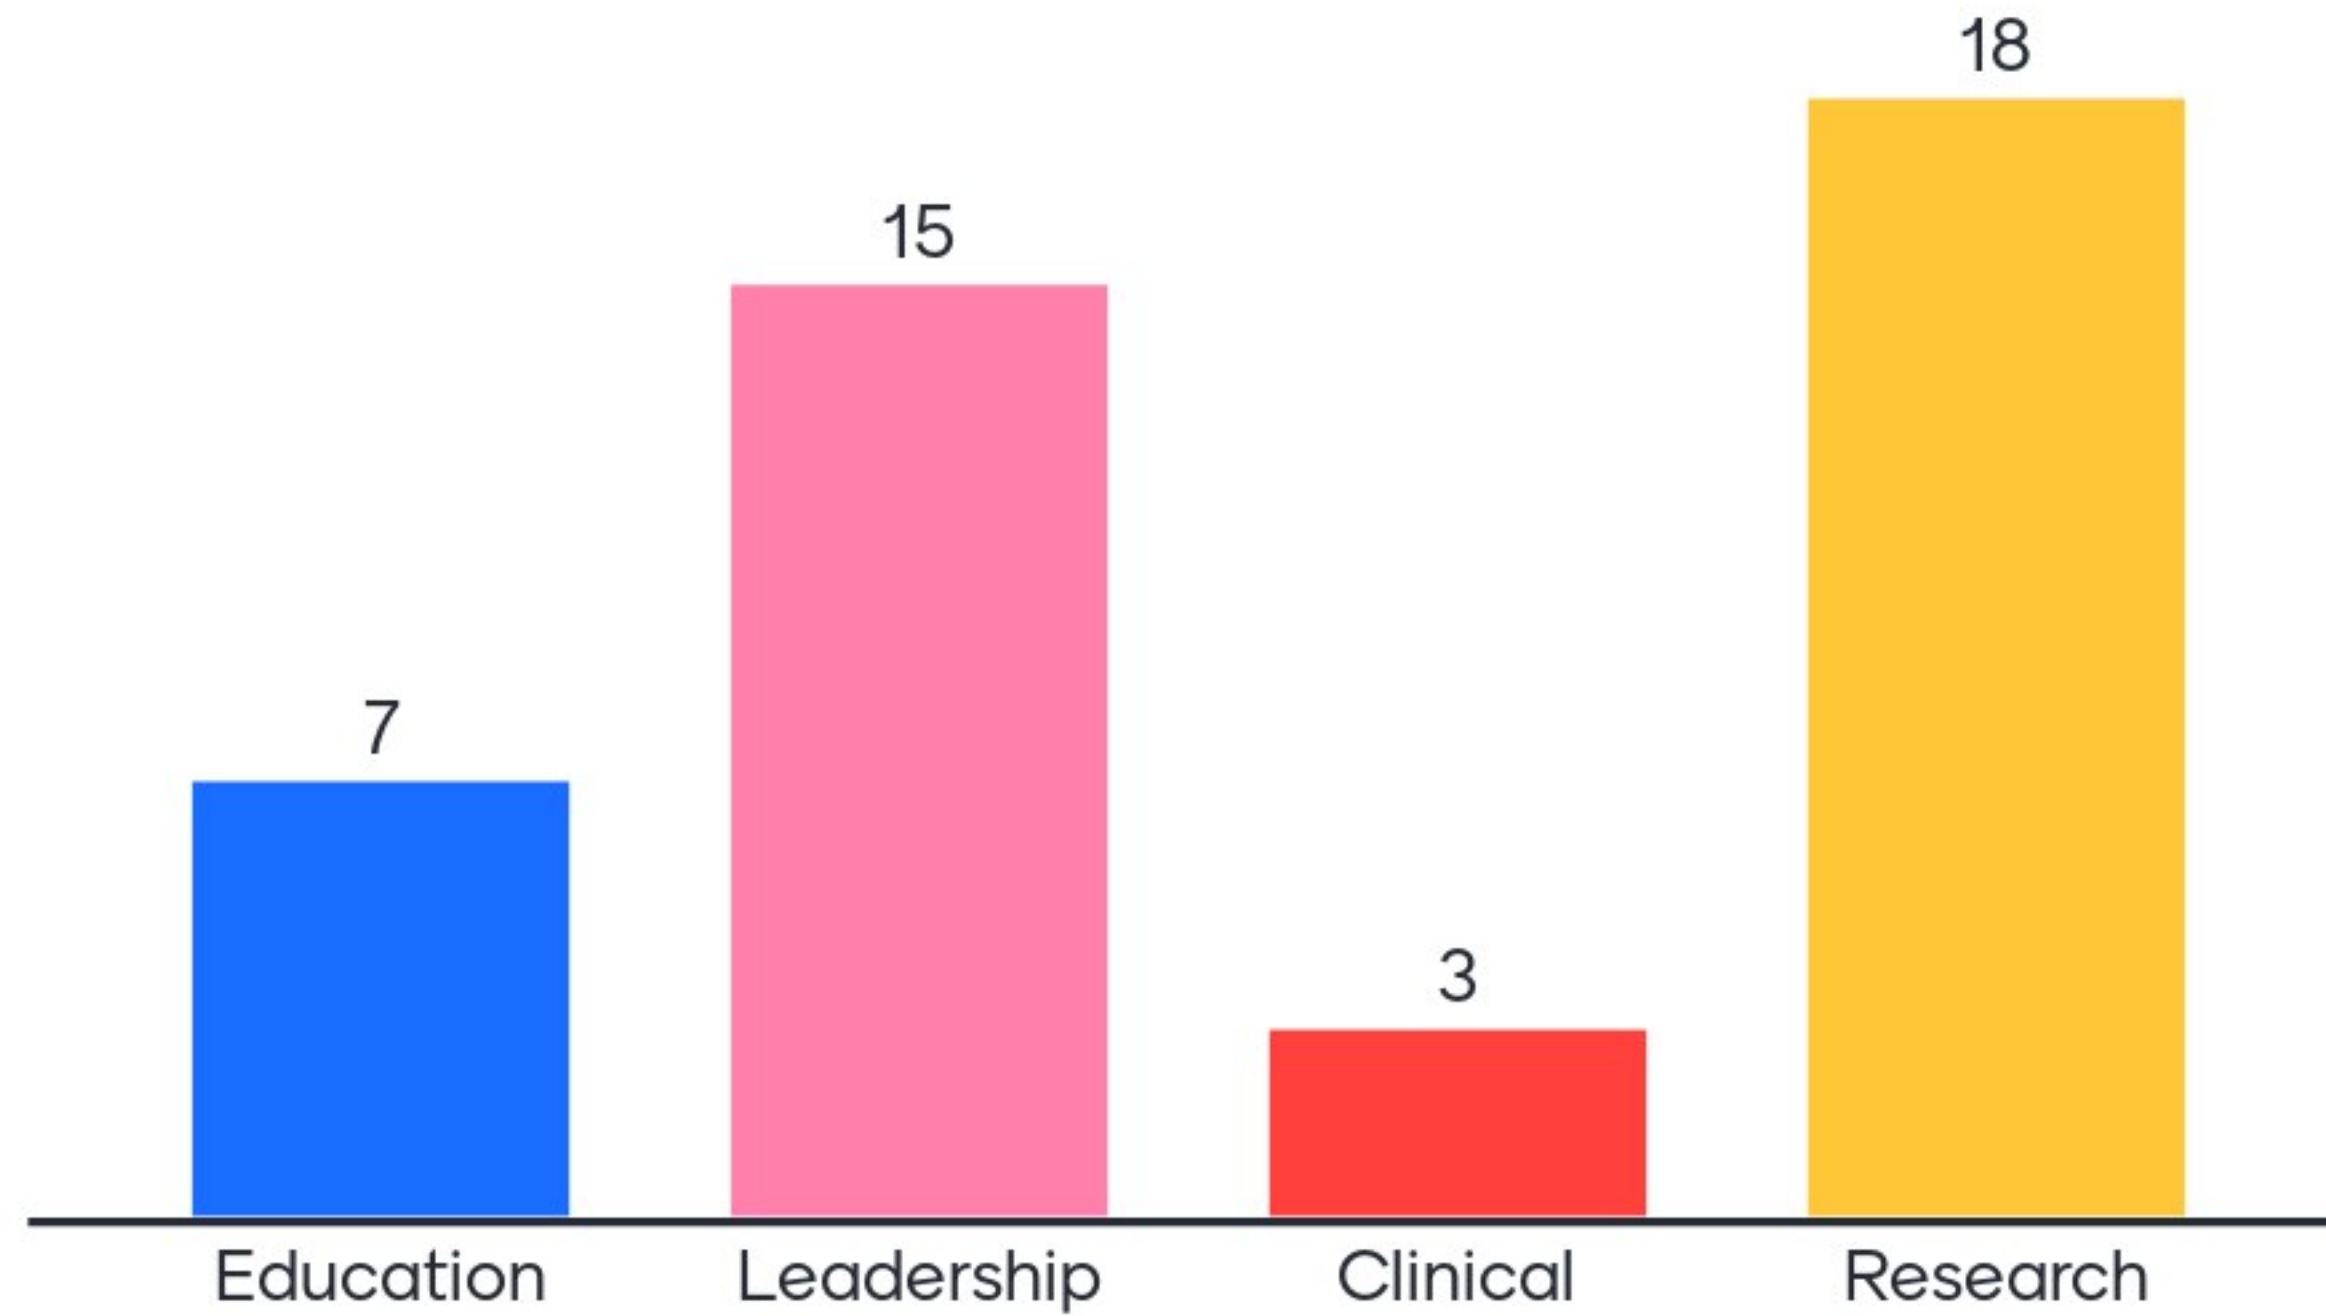

# If you could pick one pillar that you consider to be your strongest – which would it be?

# If you could pick one pillar that you would like to develop further – which would it be?

# Finally what are you hoping to achieve from today?
